Dear Mr. Millns:

On November 17, 2004 and December 6, 2004, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Nim-Cor, Inc. ("Nim-Cor"). The purpose of the inspection was to determine Nim-Cor's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Nim-Cor was issued Letter of Deficiency No. WMD 05-13 (the "LOD"). Based upon a review of Nim-Cor's submittals, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Nim-Cor's compliance status through record reviews and on-site inspections.

This Letter of Compliance does not release Nim-Cor from liability for penalties to which it may be subject for the deficiencies identified in the LOD.

If you have any questions regarding this letter, please contact Tod G. Leedberg, RCRA Compliance Supervisor, or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,
